

HOMES FOR THE FUTURE - WHAT MATTERS TO YOU?

If you are aged 50+, complete our short survey and let us know what matters to you about where you live in later life. Share your views and be in with a chance to win one of four **£50 shopping vouchers!**

Housing Needs

We know that over time, our housing and support needs might change. We want to make sure that we have the right homes in the right places that meet residents' needs and aspirations.

What you tell us will help us influence new homes being planned across Caerphilly.

HOMES FOR THE FUTURE – WHAT MATTERS TO CAERPHILLY RESIDENTS?

Caerphilly County Borough Council wants to make sure that the right homes are provided in the right places that meet residents' needs and aspirations. We are conducting research with people aged 50+ on what matters to them about where they live in later life.

We know that over time, our housing and support needs might change, we want to understand:

- What are the barriers to moving home in later life?
- What are people's views on the current range of homes available?
- What homes are needed to support people to live independently in later life?

Whilst we recognise that many people will want to stay put, we want people to be able to make active and positive choices to move home if they want, or need to move home in the future.

How will we carry out the research?

There is an opportunity to take part in a short survey to share your views by Friday 13th June 2025 and win one of four £50 LovetoShop vouchers.

The Housing LIN will also be speaking to people at community groups, bespoke focus groups and one-to-one sessions and phone calls between April – June 2025. £10 LovetoShop vouchers will be provided to participants as a 'thank you'.

The research will capture the views of people from a diverse range of communities across the borough.

What impact will the research have?

What you tell us will help us influence new homes being planned across Caerphilly.
